

## **Mentoring to Reach All Students Agenda, Day 2**

### **Connector: Coaching Practice**

***Purpose:** To revisit and use the Collaborative Assessment Log and coaching language*

### **Overview**

***Purpose:** To review feedback from Day 1 and provide a roadmap of the day's activities; to review outcomes and norms*

### **Knowing Your Students**

***Purpose:** To introduce the new Know Students tools, explore the domains of student assessment, and to provide multiple pre-assessment resources*

### **Social and Emotional Learning**

***Purpose:** To introduce a framework for Social and Emotional Learning and link specific elements of the framework to equity and student success; to practice empathy as a way of building resilience in mentors, beginning teachers and students; to identify competencies associated with fostering resilience in others through a Case Study Teacher*

### **Closure**

***Purpose:** To reinforce the importance of social-emotional learning through a quote about its impact on learning, student behavior, relationships and school climate*
